Dear Voter:

We received your voted ballot for the 2021 General Election. **Unfortunately, your ballot envelope did not have a signature OR we were unable to verify your signature with those on file.**

New Jersey Election Law requires us to compare the signature on your ballot envelope with the signatures in your voter registration record to verify your identity. For your ballot to count, you must complete and return the Cure Form. This form must be received by the Board of Elections in-person, by fax or email by close of business on November 18, 2021. If you indicate that you have not voted a ballot, or you fail to return the form, we will not count the ballot.

Please be advised that if you return the signed Cure Form, we will update your voter registration record to include this signature. We hope you reply soon so your vote may be counted. If the ballot received in your name was not from you, please contact this office immediately.

Sincerely,

A handwritten signature in blue ink, which appears to read "Linda von Nessi". The signature is fluid and cursive, written over a light blue horizontal line.

Linda von Nessi
Clerk of the Board
